Solution to **The Long and the Short of It:**

The title clues that the solver should look at whether the vowels in these words are long or short. The pattern of long and short vowels in each word can be translated to Morse code, where long vowels are dashes and short vowels are dots.

When this translation is made, the list of dance related words spells out UNITARD.

Congratulations to cw2o3 for being the first to submit the correct answer to last week's puzzle on our website.

If you enjoy puzzles, we hope you will join us at the annual Berkeley Mystery Hunt at the end of the spring semester.

This puzzle is the sixth in our ongoing series. Submit your answer on our website (<http://puzzle.berkeley.edu>). We will print the names of the first solvers to submit a correct answer in next week's column.
